

Anatomy of a Wordpress Website

Logo

Header

Menu

The screenshot shows a WordPress website layout. At the top left is the logo for 'Boot Camp 4 Writers'. To its right is a navigation menu with links: Home, Register, About Mary Beth, About Kelly, FAQ, and Contact. The main content area features a large promotional banner for 'Boot Camp for Writers' with the text 'KICK START YOUR WRITING' and bullet points: 'Craft a query', 'Use social media', and 'Market your work'. The event is on 'Thursday, August 16, 8:30 to 9:30' at the 'Elizabeth Estlin Women's Center, 122 West 70th Street, NYC, NY'. A 'CLICK HERE TO REGISTER' button is at the bottom of the banner. Below the banner is an 'Instructors' section with two entries: 'MARY BETH COUDAL' and 'KELLY WALLACE', each with a photo and a short bio. To the right of the main content is a sidebar containing a 'JOIN THE CONVERSATION!' section with an email sign-up form, an 'UPCOMING EVENTS' section featuring 'West Coast Boot Camp' on 'Saturday, September 15', and a 'Find us on Facebook' section with a Facebook widget. At the bottom of the page is a green footer bar with logos for 'The New York Times', 'SELF', 'Attic A HEAVEN FOR WRITERS', and 'salon.com'.
